## 30 Amp portable Surge Guard Power Protector Drawing

I am pleased to announce that we are going to have a season long drawing where you can win a Surge Guard 30 amp portable power protector, retail around \$300.00 on sale for a bit less, plus the rest of the 3 year extended warranty worth another \$50 or so.

Here is how it is going to work.

We will be selling tickets at each Jamboree for \$5.00 per ticket. On Saturday night just before we have our raffle table drawing, I will pull one name out of all those who bought tickets and that person will be entered into a Grand Drawing. At each of our 2017 Jamboree's we will repeat the process so that in the end, there will be 5 people entered into the Grand Drawing. This Grand Drawing will be held at our last Jamboree in October 2017 at the Chocorua Camping Village in Tamworth NH.

### Rules

1. You may pick it up at Mikeee's house or I will bring it to you at a future Jamboree.
2. You may enter as many times as you want as long as you purchase a ticket for each entry.
3. To enter this drawing, tickets can only be purchased at a 2017 North-East Truck Jamboree. Do not send Mikeee a check at home.
