**Sunday: August 20, 2017** - Pre-Jamboree day

Register with the Campground and find your site.  
Wander through the Campground and see all that they have to offer.

We know that a lot of you have offered to help with setting up the two 20 x 30 tents this afternoon, but due to a conflict with acquiring the second tent, Mikeee will not be arriving until Monday afternoon August 21, 2017, with both tents.

**7:30 pm:** Join Joe and Marianne around the Campfire and enjoy the night  
See Joe Zecca (site 56) for the location of the Campfire.

**Monday: August 21, 2017** – Pre-Jamboree day

**1:30 pm:** or when Mikeee shows up

All hands on deck (Site 18) to set up the two Party tents. For those of you that were here last year, the job got done pretty easily, and we will be repeating the process. For our first time attendees, having a portable pavilion in the middle of all the sites we are staying at, makes our Jamboree events easy to plan and coordinate. I would like to thank the Lake George Escape Campground manager, Bob Hilton for donating site 18 for the week. Thank You Bob!!!

**7:30 pm:** Join Joe, Marianne and Mikeee around the Campfire and enjoy the night  
Campfire will be at the same site as last night.

**Tuesday: August 22, 2017** - Pre-Jamboree day

**8:00 am:** Join us for a cup of Coffee at the Party tents

We may need a few volunteers to finish setting up the Party tents if we do not finish up the day before.

**8:00 pm:** Showing the "10<sup>th</sup> Year" picture collage (video) in the party tent.

I want to thank our "Webmaster Steve" for putting this picture collage together. It is about 50 minutes long and you may just see yourself projected on the big screen.

**10:30 to 12 noon:** Newbie **RV seminar** at the Party Tents.

I have accumulated so much material over the years that there is just not enough time to fit in a truck and RV seminar at the same time.

So I have decided to split my material into 2 groups and this morning the topic will be about RVs

Saturday we will cover Trucks

**12:00 noon and the rest of the day and night**

We encourage you to head into Lake George Village; it has so much to offer and many great restaurants. Have dinner, and then stay for the fireworks over the lake! **The fireworks should begin at about 9:00 – 9:30.** For those who like to stay up really late, you can head over to Duffy's Tavern (20 Amhurst Street) after the fireworks.

They have live music from about 10:00 to 2:00. **NOTE: the campground runs a free shuttle to and from Lake George Village. HOWEVER, they suspend service mid-evening!** If you take the shuttle, make sure you find out when the last ride back to the campground will leave the Village! If you miss the shuttle you can always hop a taxi.

**8:00 pm:** Those of you who decide to pass on the fireworks can join your neighbors around the campfire and enjoy the rest of the night.

Please come over to the Party tents and have a cup of Coffee, register with us and get your calendar of Events and check out Mikeee's line of clothing.

### **9:00 to 1:00pm: Open House**

This is one of the group's favorite events. If you are looking to up-grade to another Truck Camper and are unsure to what floor plan works for you, then this is a can't miss event. Members are going to open up their RV for you to see their RVs and you can ask them what they like best about their RV and what they would do different if ordering another RV. Also our group loves to do modifications to their RV and is happy to show them to you, just ask them!!!

If you have volunteered to show off your RVs floor plan and any modifications you made, please check the white board in the party tents to see what 20 minuet time slot you have been given

### **2:00 to 4:00pm: Set up the Party Tents for the Pig Roast catered dinner.**

We would like to have a few volunteers to help in the Party Tents. We may need to change the table cloths and get ready for the Pig Roast. Since we are supplying all the dinner wear, all you need to do is bring an adult beverage, (or even a juvenile beverage, if you prefer!)

### **4:00 to 7:30 pm: Pig Roast Dinner & Allec Blanco and his Allecazam Magic Show**

Although the dinner is not scheduled to start till 4:30 pm, why not come early  and see the caterer doing his thing with his commercial smoker and all the details of doing a smoked Pig? Everything is included except your beverage. Allec B will be present and will start his show when it is appropriate for him to do so, although he will probably circulate and show us up-close magic before the start of the actual show **Please remember to bring the Pig Roast Dinner tickets with you!** The caterer will collect the tickets as you get your dinner. He will later present them to Mikeeee, since that's how he will be paid.

For those of you that chose not to partake in the Pig Roast Dinner, we encourage you to join us anyway with your own dinner. You will certainly want to be present for the Allecazam Magic Show that should start towards the end of the Pig Roast Dinner
